Tier One

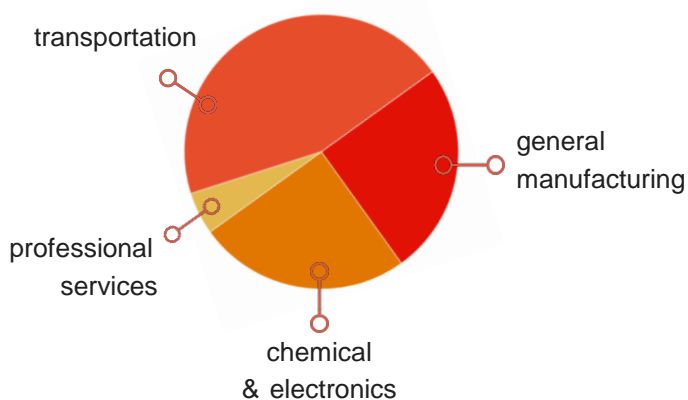

executive search

Founded in 2002 ■ *Office in Shanghai since 2004* ■ *Mexico-based research team since 2007*

Founded in the global center of the automotive industry, Detroit Michigan, we seek out, attract, and secure the absolute best talent for our worldwide client companies. Tier One Executive Search is a firm comprised of staffing and recruitment experts specializing in the areas of Manufacturing Operations, Business, Sales and Engineering Leadership.

Our service is distinguished by the quality of attention that is paid to each step of the search and hiring process. We are proud to have developed a time-tested and proven system that includes in-depth needs analysis, extensive research, thorough interviews, and finalizing offers. This, combined with our robust experience working with automotive and manufacturing industries makes us the single solution for your hiring needs.
